

# Roberto Drumond

## Junior Web Developer

I Take a new direction in my life and reinvent myself, now I'm a web developer with excellent communication skills. I love to collaborate and work as a team, I am looking for a full time development position, where I can apply my knowledge, improve and learn more. I take courses as a self-taught on Theodinproject.com as a front-end and currently studying back-end to get the full-stack. < Never stop learning because life never stops teaching you/>
